## VISUAL SUITE

the easy way to personalize your Proxtalker

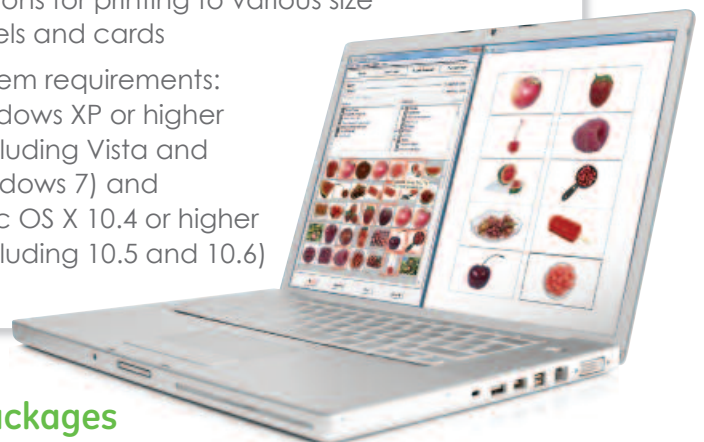

Just insert the DVD and start creating visual materials.

**Visual Suite from Silver Lining is an easy to use template and label making resource which enables you to easily generate labels for the ProxTalker sound tags as well as a wealth of other classroom resources.**

- the DVD has a library of over 15,000 distraction free photos
- bonus section with over 700 photos from various categories including behavioral and living skills
- easy to use search engine with keyword and thumbnail search
- download images from the web or PC to insert onto templates
- includes readymade templates for all ProxTalker supplied sticker sheets
- easy formatting and template options
- options for printing to various size labels and cards
- system requirements: windows XP or higher (including Vista and Windows 7) and Mac OS X 10.4 or higher (including 10.5 and 10.6)

**ProxTalker supplies Visual Suite on its own or as part of the ProxTalker packages**
